

Winter-Spring 2017  
Circ.: 60,000

**492**

Chef Josh Keeler offers an array of eclectic, seasonal small plates in a renovated building which dates from the late 1800s. The restaurant's hip, posh vibe and handcrafted cocktails are overshadowed only by menu items like the grilled quail and bavette steak. Cozy up under the stars, or the heat lamps, in the outdoor seating area. 492 King St., 843.203.6338
